TERMS: Cash with order, or 25% with order and balance COD. You may order 25 or more bulbs at the 100 rate, and one pint bulblets at the quart rate. For 250 or more bulbs of one size and variety, you may deduct 10%.

Minimum order \$2.00. On orders of \$5.00 or over I will include free bulbs to the amount of 10% of your order. These will be large or medium bulbs selected from my list of "New Varieties." Please state on order what varieties you prefer. These discounts do not apply on Special Quotations, Assortments, or Wholesale Prices.

All orders, except from wholesale list, will be shipped parcel-post or express prepaid. I reserve the right to ship which ever way is cheapest for me.

ORDER EARLY ! I have many customers who buy in quantities of ten to fifty thousand of a variety, and many of the most desirable varieties as soon sold out. Get your order in at once, to avoid disappointment, and we will ship the bulbs in the early spring before planting time.

I am always glad to answer inquiries regarding new varieties, treatment for thrips and disease, etc., but please make your letters as brief as possible and put on separate sheet from your order.

#### GLADIOLUS SEED, - FREE !

Again this year I have saved a small quantity of seed from the best and new varieties. To any customer interested in growing seedlings, I will be glad to include a small packet of this seed with your order, if you request it when sending in your order. The only request I make is that if you do happen to get an out-standing seedling you will give me first chance to buy it from you at a good price.

#### SPECIAL ASSORTMENTS.

I will duplicate the offers of any other reliable grower, if I have the stock. Many persons do not care to go to the bother of keeping their different varieties separate, and are more interested in getting as large an assortment as possible for as little money as possible. For these we will make up an assortment, bulbs mixed and not labeled as to variety, in a wide range of colors and shades or in certain colors, if you request, - and guarantee that you will receive considerably more than catalog value. Just send me two, three or five dollars, state your color preferences, - and I will guarantee that your garden will be the envy of your neighborhood when the bulbs bloom. And if you send in your order real soon, before we are swamped with the spring rush, I will add 10 medium bulbs of Picardy, labeled, extra. Picardy stands at the top of the list of the American Gladiolus Society list of favorites.

# NEW VARIETIES OF GLADIOLUS.

- BELLA DONNA (Pfitzer) Early, light blue-violet, with darker blotch. M 25¢ each; S 15¢ each; bblts 6 for 15¢.
- CARMENIA (Mair) Rose-red with white throat marking. Good spike and placement but a little off color. M 2 for 15¢; bblts 20 for 15¢.
- ESCORT (Tower) Early, ruffled creamy white. Good spike with 6-8 open. Florets medium size. M 15¢ each; bblts 6 for 15¢.
- GLORIOLA (Ellis) Tall orange-salmon with yellow throat. Better than Gloriana except uneven in growth. L 2 for 15¢; M 3 for 15¢; S 5 for 15¢; bblts 30 for 15¢.
- GOLDEN CHIMES (Ellis) Very tall light yellow. The best commercial light yellow I have grown. Lighter, but taller and more charm than Golden Goddess. L 35¢ each; M 20¢ each.
- HERITAGE (Ristow) Warm pure pink, lighter in throat. Opens 10-12 in the field. A beautiful glad with very long flower head, but rather short stalk. Seems to retain the erratic growth of W.H.Phipps. L 80¢ each.
- JOHANN S. BACH (Pfitzer) Large salmon-rose, with white mid-rib. Opens 8-10 perfectly placed florets. Early. One of Pfitzer's best. L 75¢ each; M 45¢ each.
- LADY EATON (Palmer) Tall light pink with light throat. L 75¢ each; M 45¢ each; S 25¢ each; bblts 2 for 15¢.
- LINDESTA (Palmer) Soft salmon-rose with cream throat. Tall and straight. L 20¢ each; M 2 for 25¢; S 2 for 15¢; bblts 15 for 15¢.
- MAGNA BLANCA (Salbach) Very tall cream white, with cream throat. L 3 for 15¢.
- MILDRED LOUISE (Wentworth) Light salmon, cream throat. Good propagator. Good glad. L 20¢ each; bblts 10 for 15¢.
- MRS T. E. LANGFORD (Crow) Apple blossom pink with touch of canary in throat. Tall, straight spike with 8-10 open. Due to the fact that our stock of this variety contains an occasional bulb of Picardy, I am listing it at half price. L 2 for 15¢; M 3 for 15¢; S 4 for 15¢; bblts 30 for 15¢.
- MISS NEW ZEALAND (Julyan) Immense shrimp pink, darker throat. S \$2.00 each.
- PURPLE VICTORY (Gilrey) Purple-crimson, light mid-rib. L 15¢ each; M 2 for 15¢; S 4 for 15¢; bblts 30 for 15¢.
- QUEEN HELEN II (Salbach) Bright pink, yellow throat. Spike similar to Betty Nutball, but earlier. L 2 for 25¢.
- RED LORY (Errey) Deep rose-red, crimson blotch. Will open almost the entire spike at once. L 2 for 25¢; M 2 for 15¢; bblts 15 for 15¢.
- RED PHIPPS (Briggs) Light scarlet. L 2 for 15¢.
- ROSABELLA (Pfitzer) Fine pure pink. Good straight spike. L 50¢ each.
- ROSEMARIE PFITZER (Pfitzer) Creamy white suffused pink. Good spike. Very popular. L 40¢ each; M 25¢ each; bblts 6 for 15¢.
- SEESTERN (Pfitzer) Large pure pink with darker throat. Good propagator. L 15¢ each; M 2 for 15¢; S 4 for 15¢; bblts 30 for 15¢.
- SILVERSHEEN (Symons) Large salmon-pink. Not particularly outstanding. L 20¢ each; M 2 for 25¢; bblts 5 for 15¢.
- STAR OF BETHLEHEM (Pfitzer) Large white with faint cream throat. Tall and straight. I believe this will become very popular as commercial and exhibition variety. L 40¢ each; M 30¢ each; bblts 2 for 15¢.
- TIP-TOP (Pfitzer) Brilliant red with darker feather in throat. Rather slow propagator. Does not make a very tall spike in this section, but some eastern cut-flower growers have informed me that it is the most promising variety they have tried in the bright red class. Stock is scarce and price should hold up well for some years to come. L 50¢ each; M 25¢ each; bblts 3 for 15¢.

L indicates large bulbs; M medium bulbs; S small bulbs; bblts bulblets. We never substitute varieties without permission, but unless requested otherwise, we will send equal value in larger or smaller sized bulbs in case we are out of size ordered. Our stock of some varieties is very limited. ORDER EARLY !
